Action # 1

Celebrate Diversity Month! Celebrate Diversity Month takes place each April to recognize and understand our differences, be it gender, race, ethnicity, sexual orientation, etc. while honoring the common essence of humanity. By appreciating our similarities and differences, it aims to foster a deeper understanding of others, regardless of who they are, what they are, or how they live.

Action #2

World Autism Awareness Day is observed on April 2nd. It is an opportunity to understand how those with autism can improve their lives. Whether you have autism, love someone who does or are looking to support a diverse, accepting and kind community – let's stand together and pledge our support to make a world of difference by helping all people with autism reach their full potential.
